

# EASTERN AgriGate Research Hub

## Hasse Fen Project

**Soham, Cambridgeshire, CB7 5UW**

The Eastern AgriGate Research Hub can be reached from the A14 near Newmarket to the South and the A10 near Ely to the North. From the A142, turn into Hasse Road. You will find us 2.1 miles (4 minutes drive) along Hasse Road, on the right, after G's Growers. Please take care when driving due to the undulating road surface.
