

National Agronomy Centre

# BECOME A SUPPORTER

Apply online at [www.niab.com](http://www.niab.com)

**NIAB TAG has a charitable aim to disseminate to as wide an audience as possible research-based solutions to the challenges that our industry may face in the future.**

Supporting NIAB TAG's National Agronomy Centre (NAC) initiative is a means by which anyone involved in the agri-food industry can gain access to our agronomy research programmes that are publicly or charitably funded. This package also gives individuals, or groups, an insight into the rest of the organisation, and is a gateway to other NIAB TAG activities and services.

Becoming a NAC Supporter also helps NIAB TAG secure the future of independent research. Members will also have access to:

- **Landmark Bulletin**, NIAB TAG's quarterly review of the latest news and developments in agricultural R&D;
- Invitation to an annual **Open Day** event held in your region, where a range of specialists from NIAB TAG will be present to tour the trials and discuss topical issues;
- **Online** access to a dedicated website providing results and conclusions from past and present projects undertaken through openly-funded sources, including research undertaken specifically for the NAC initiative. This can be found in the 'Research Communication' section of the NIAB TAG website;
- **Preferential discounts** to selected NIAB TAG services, including training packages.

If you would like to become a supporter of the NIAB TAG National Agronomy Centre please complete this form and send to:

National Agronomy Centre  
FREEPOST CB173  
NIAB  
Huntingdon Road  
Cambridge, CB3 0BR
